**What are you
going to do with
the conference?**

The background of the image features a solid blue sky with several dark blue palm trees scattered across the frame, creating a tropical atmosphere.

**What about our
assessments?**

**We followed the
research by asking...**

How similar are the ISEE and SSAT?

Third party research shows SSAT and ISEE predict one another's scores almost perfectly.

Lower Level

Quantitative	0.87
Math	0.88
Reading	0.85
Verbal	0.88
Quantitative + Reading	0.87

Middle Level

Quantitative	0.91
Math	0.92
Reading	0.89
Verbal	0.93
Quantitative + Reading	0.92

Upper Level

Quantitative	0.92
Math	0.92
Reading	0.87
Verbal	0.92
Quantitative + Reading	0.91

**We have two world-class
products that do the
same thing.**

We can improve the family experience

1

Evaluate

Which test to take?
What does the school require?
On which test will my student do best?

2

Register

Why is it expensive?
How do I get a fee waiver?
What "level" to select?
What else should I purchase?
Can my child get accommodations?

3

Prepare

How to prepare for a 3-hour test?
What are the worthwhile investments?
How to manage anxiety?

4

Assess

Where to go on test day?
What to bring?
How do I handle test-day challenges?

5

Interpret

What do the scores mean?
Are they high enough?
Should my student retake the test?
